

Peckham, Inc.

Peckham is one of the largest vocational community rehabilitation programs in the state of Michigan, serving more than 7,000 residents each year. Peckham specializes in creating positive change in the lives of people with disabilities or other barriers to employment.

We provide people with physical, cognitive, behavioral and socio-economic challenges a platform to demonstrate their abilities, learn new skills, participate in work and enjoy the rewards of their success.

Our affirmative businesses provide paid job training opportunities while providing high quality goods and services to our customers. These business lines support programs that help those we serve achieve greater independence and self-sufficiency.

Rehabilitation & Human Services Programs

Peckham offers more than 25 services and programs and assists thousands of clients with obtaining competitive careers.

We collaborate with a variety of local organizations to create comprehensive services and programs tailored to the needs of each individual.

Peckham is dedicated to creating a culture that educates, empowers and engages each person to achieve their full potential.

Peckham Employment Services

Peckham offers an extensive network of services provided through strong partnerships with Community Mental Health, Michigan Rehabilitative Services and Capital Area Michigan Works! , including:

- Diverse paid job training, coaching and placement opportunities.
- Career counseling, evaluations and assessments.
- Individualized vocational services and job accommodations.

Affirmative Businesses

Peckham develops strategies to deliver high quality services and products. Customer satisfaction is priority; first-class standards remain at the core of our operations.

- CARF Accreditation since 1976
- ISO 9001:2008 certified in every line of business
- LEED certified facilities
- Sloan Award Winner

Peckham is proud to participate in The AbilityOne Program, providing employment opportunities to more than 50,000 people with significant disabilities and 3,300 Wounded Warriors.

The AbilityOne Program is the nation's largest single provider of jobs for people who are blind or have significant disabilities.

Peckham Manufacturing

Our customers know Peckham as a preferred source for high quality, cost-effective goods and services. We offer a wide array of solutions, products and services from development through production implementation.

Peckham is a leading provider of high performance fleece and extreme cold weather clothing for the military and commercial market. Our unique capabilities offer customers specialized services in small assembly work, specialty jobs and light manufacturing.

Peckham Supply Chain Solutions

From storage to contact center to “pick, pack and ship,” Peckham is ready to be your one-stop logistics and fulfillment center.

Our warehouse management system ensures real-time product visibility. Our highly responsive team will help you reduce inventory, improve shipping times and minimize delivery costs.

Peckham Business Services

Peckham’s state-of-the-art software and industry leading technology provide advanced customer service solutions.

Business services include call center, mailing, document imaging, management and destruction, clerical support and other office services in Lansing and Battle Creek, Michigan and Coralville, Iowa.

Peckham Environmental Services

Peckham’s Environmental Services team cleans more than seven million square feet of space daily. Our proven performance and incorporation of green cleaning techniques have earned multiple contracts for state, federal and local businesses.

Peckham Farms

Peckham Farms focuses on providing paid job training opportunities in the farming industry for persons with disabilities and other barriers to employment. Peckham Farms provides access to locally, sustainably grown produce to our clients and the public.

Peckham, Inc., a nonprofit community rehabilitation organization, is a unique business and human services agency that values quality, diversity and performance.

Our mission is to provide a wide range of opportunities to maximize human potential for persons striving for independence and self-sufficiency.

We embrace collaboration, effective resource management and innovative approaches to achieve world-class excellence.
