Such requests will be taken into consideration by administration with consideration being given to the following factors: experience, qualifications, performance and seniority. Copies of all requests for position changes and temporary positions shall be sent to the Associated Superintendent for Special Education and the Union President or designee.

12.4 Vacancy Posting

Said posting shall contain the following information:

- a. Type of work
- b. Location of work
- c. Starting date
- d. Rate of pay
- e. Hours to be worked
- f. Classification
- g. Minimum requirements as reflected in the job description

12.5 Award of Vacancies

Staffing decisions shall be at the sole discretion of the administration after giving consideration to written requests submitted by staff.

12.6 Involuntary Transfers

An explanation will be given to the involuntary transferred bargaining unit members.

12.7 Open Position – Reference to Section 504

If a paraprofessional is unable to carry out the responsibilities of a particular classroom assignment, and upon request and documentation of a disability that can't be reasonably accommodated within the current assignment (as discussed in the interactive process) then other paraprofessional staff will be asked to voluntarily transfer to this person's position, thereby allowing the affected paraprofessional to transfer to a more appropriate assignment for which they are qualified and reasonable accommodations can be implemented without altering the essential job functions. If no other paraprofessionals wish to voluntarily transfer, the administration will initiate an involuntary transfer based on seniority, qualifications, experience, and performance. Should identified restrictions be so extensive that reassignment cannot be reasonably achieved, the employee will need to request an unpaid leave of absence for up to 60 days.

12.8 New Position

Any paraprofessional position opening that occurs after January 1st of the school year may be filled by a temporary substitute for the remainder of the school year. Qualified bargaining unit members on layoff status shall be given the opportunity to fill a substitute position through the CCRESA substitute system, first without affecting their rights for recall to a permanent position.

If the position is needed for the succeeding school year, it shall be posted for the bargaining unit members to make application according to the provisions outlined in the Agreement unless there are bargaining unit members eligible for recall first.

ARTICLE 13 - REDUCTION IN PERSONNEL, LAYOFF, AND RECALL

13.1 Title

It is specifically recognized that it is within the sole discretion of the Board to reduce its educational program, curriculum, and necessary support staff, and that the procedures set forth here shall be used in laying off employees. Should a layoff be necessary, written notice shall be given to bargaining unit members 15 calendar days before the effective layoff date. If reductions in paraprofessional personnel are determined necessary, the following progression shall be used within the total bargaining unit.

Seniority, Qualifications*, Experience, and Performance

* Qualifications: Any state, federal or CCRESA identified requirements for the position.

13.2 Recall

Effective September 14, 2011:

If, within (15) months of the layoff, positions are to be refilled in which the layoff occurred, laid off employees are to be recalled in inverse order of layoff date, with consideration of seniority, qualifications, experience and performance/evaluations.

If, within (15) months of the layoff, any new positions are created, laid off full-time employees are to be given priority consideration in inverse order. Laid off employees being considered for a new position must be fully qualified for the vacancy.

Benefits for laid off paraprofessional will continue through the duration of the month in which the layoff takes place. A COBRA option will be provided to those employees who are eligible and at their own cost who desire an extension of their insurance beyond this time frame.

13.3 Recall Notification

Laid-off bargaining unit members shall be recalled in order of seniority, with the most senior being recalled first, to any position for which they are qualified. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the bargaining unit member is to report back to work. It shall be the bargaining unit member's responsibility to keep the Employer notified as to his/her current mailing address.

A recalled bargaining unit member shall be given five (5) calendar days from receipt of notice, excluding Saturday, Sunday and holidays, to notify the Employer of his/her intent to return to work.

Bargaining unit members recalled to full-time work for which they are qualified are obligated to take said work and must report to work within 15 calendar days of receipt of notice to return to work. A bargaining unit member who declines recall to full-time work for which he/she is qualified shall forfeit his/her seniority rights. Seniority shall be frozen for the duration of the layoff period.

ARTICLE 14 - PAID LEAVE

14.1 Jury Duty

The Clinton County RESA will pay a paraprofessional who is called for jury duty at the regular rate of pay, minus payments received from the court for time served as a jury member when jury duty takes place during the employee's normal work schedule.

14.2 Sick Leave

At the beginning of each school year, each paraprofessional shall be credited with twelve (12) days of leave annually. These days will be prorated for paraprofessionals who do not work a full school year. Four (4) of these sick leave days may be used for personal business. Personal business must be approved by the Special Education Department Administrative Supervisor at least 48 hours in advance of the date. In the absence of the Administrative Supervisor this request should come to the Assistant Superintendent. Personal business days will not be used during or prior to or after scheduled breaks. Personal business days are for business activity that cannot be accomplished before or after normally scheduled work hours. No more than two staff members can request a personal business day at one time. (See Appendix C)

Sick leave may be used for personal illness or during a serious illness of an immediate family member. Immediate family members shall be defined as: spouse, children, stepchildren, parents, in-laws, brothers, sisters, grandparents, legal dependents and members of the employee's household.

Paraprofessionals working less than a full schedule will earn sick leave on a pro-rated basis consistent with their FTE employment.

The Clinton County RESA may require evidence of illness for absences in excess of three consecutive days, in cases of repeated absences or in cases of excessive use of sick days. Unused sick leave will accumulate to a maximum of forty-five (45). Any paraprofessional with forty-five (45) days of accumulated sick leave will be paid, at the daily paraprofessional substitute rate, for accumulated days earned in excess of forty-five (45). This payment will occur in June. Absences must be reported via the established Substitute System on or before 6:00 a.m. of the day of the absence. Upon retirement, all unused sick leave will be paid at the daily paraprofessional substitute rate. Only employees with a minimum of 15 years of service at CCRESA are eligible for this compensation.

14.3 Illness During the Work Day

Illness occurring during the workday is to be reported to the classroom teacher and administrative program supervisor, or in the absence of the administrative program supervisor, report needed absence to the Associate Superintendent. Absences will be reported as half day or full day increments.

14.4 Bereavement

In the case of death among a member of the paraprofessional's immediate family, up to five (5) leave days may be granted. These days will not be deducted from accrued sick leave. Additional days may be granted by the Superintendent/designee. These additional days, if granted, will be deducted from accrued sick leave. Bereavement leave days for purposes of this paragraph shall include the following: spouse or significant other, child, parent, sister, brother, grandparents, grandchildren or any of the preceding individuals on an in-law or step basis.

In case of death among a member of the paraprofessional's extended family, up to two (2) leave days may be granted. These days will not be deducted from accrued sick leave. Additional days may be granted by the Superintendent/designee. These additional days, if granted, will be deducted from accrued sick leave. Bereavement leave days for purposes of this paragraph shall include the following: aunt, uncle, first cousin, niece, nephew or any of the preceding named individuals on an in-law or step basis.

ARTICLE 15 - UNPAID LEAVES

15.1 Unpaid Leave of Absence

With evidence and certification of disability, paraprofessional personnel may apply for and may be granted an unpaid leave of absence. Application for such leave must be in writing to the Superintendent/designee.

The maximum duration of an unpaid leave will be 60 workdays. Exceptions to this provision may be granted by the Superintendent/designee upon written request up to a maximum of one school year. Such approval may be taken into consideration to support post secondary education within the field of education when a "plan of study" supports the district's mission and vision.

Wages and fringe benefits, including insurance premiums, benefits provided through the CCRESA cafeteria plan, and sick leave accumulation or payment of sick payout, will not be paid during an approved, unpaid leave.

15.2 Other Unpaid Leave

Paraprofessionals may request an unpaid leave for reasons other than personal illness. For purposes of the Family and Medical Leave Act (P.L. 103-3) sick leave allowed and which is taken under this article shall be charged against the paraprofessional's leave entitlement under the Family and Medical Leave Act, at the election of either the Board or the paraprofessional. The paraprofessional may choose to keep up to five (5) paid sick days in their accrued bank while on a leave under FMLA. This shall apply to:

Sick leave, which is utilized to care for a family member (child, spouse, or parent) with a serious health condition, including where a paraprofessional must make arrangements for necessary medical and/or nursing care.

Sick leave which is utilized due to a serious health condition, which renders the paraprofessional unable to perform the functions of his/her job.

If a paraprofessional fails to return to work from an unpaid leave, and also fails to notify the Associate Superintendent with regard to their return, employment will be terminated. Employees will also be responsible for reimbursing the district for insurance premiums during this timeframe.

No employee on an unpaid leave, as described in this agreement may engage in any employment for another public or private educational institution without prior approval.

ARTICLE 16 - Holidays

16.1 Holidays

All bargaining unit members are eligible for paid holidays, which occur when they are employed and scheduled to work by the district. Pay shall be for the regularly scheduled hours of each bargaining unit member. Should the day off fall on a Saturday or Sunday, either Friday or Monday shall replace that day as determined by the employer. To receive holiday pay, employees must work the last schedule workday prior to the holiday and the first scheduled workday following the holiday. This wording is waived if bargaining members are on Bereavement as stated in Article 14.4. Sick days and Personal Business Days do not meet these criteria for the last scheduled workday prior to the holiday and the first scheduled workday following the holiday. Upon certain requested situations, the Superintendent may waive this criteria for sick days to receive holiday pay. Employees working the full summer session (including dates prior to and following the 4th of July) will receive holiday pay for the 4th of July. The following is the list of approved holidays:

- Labor Day
- Thanksgiving
- Day after Thanksgiving
- Christmas Day
- New Year's Day
- Memorial Day

ARTICLE 17 - COMPENSATION AND BENEFITS

17.1 Overtime Pay

Overtime shall be compensated at the rate of time and one-half (1-1/2) of the regular hourly pay for all hours worked in excess of forty (40) hours in one (1) week for which overtime has not already been earned. Sick days or dock days will not count toward the forty (40) hours in a week. All overtime on Sundays and holidays shall be compensated at two (2) times the employee's regular hourly pay for all hours worked.

17.2 Substitutes

- A. Substitutes: The Employer shall provide substitutes if required by the absence of a regular bargaining unit member.
- B. Substitute Rate: A regular bargaining unit member assigned to perform the work of an absent bargaining unit member will be paid the regular hourly rate for those duties consistent with the reassignment (not all positions consist of the same number of hours/days). Substitutes shall be used to perform bargaining unit work only during instances of an absence by regular bargaining unit members or when an unfilled temporary vacancy exists.

17.3 Special Qualifications

Paraprofessionals employed and assigned to work within the CTE, Assistive Technology, and locally based EI classroom programs must meet the federal, state CTE, and/or community college highly qualified paraprofessionals and state's substitute teacher requirements. To address issues of safety, security and continuity of programming, paraprofessionals hired and assigned to these programs will also serve as the substitute teacher in the absence of the teacher and compensated at their regular hourly rate of pay, or the substitute rate of pay, whichever is higher

Paraprofessionals falling within special qualifications as defined above shall receive additional compensation as follows: an additional \$0.30 per hour.

17.4 Travel Reimbursement

Employees requested to use their personal vehicle for district business shall be reimbursed for mileage at the IRS rate.

Employees incurring parking expenses in the course of their work assignment with the district shall be entitled to reimbursement for such parking expense when the employee provides satisfactory proof of payment.

Request for travel reimbursement should be made and approved through the submission of a Mileage Reimbursement Form.

17.5 Direct Deposit

Paraprofessionals are required to have their payroll check deposited electronically.

17.6 Cash-in-lieu of benefits

Employees who are eligible for insurance can choose to take cash-in-lieu of benefits of \$350. The above amount will be prorated with same percentage as employees who are eligible for partial benefits as stated below in section 17.8.

17.7 Fringe Benefits

Fringe benefits are provided at the discretion of the Board of Education.

Please refer to the certificate of coverage for a complete description of all terms and conditions of coverage. To be eligible for fringe benefits, an employee must work a minimum of 20 hours per week, which must be their normal schedule not including substitute time (per our insurance provider). The amount of premium covered by CCRESA will be prorated on a consistent basis with the employee's FTE.

Other benefits provided by the Board:

- Dental
- Long Term Disability
- Vision
- Life Insurance
- Worker's Compensation Insurance - as required by Michigan laws
