

Letter of Agreement
Between the
Bath Education Support Personnel Association
and the
Bath Community Schools Board of Education

This will serve as a Letter of Agreement between the Bath Community Schools Board of Education and the Bath Education Support Personnel Association.

The parties agree to the following addition and modification to current contract language:

1. Due to the current demand on bus drivers, and in order to attract drivers to our district, the District will promote current drivers to the top step following their probationary period during the 2016-2017 school year.
2. If former drivers return to the school district, they will not need to serve a probationary period, and may be moved to the top of the pay scale during the 2016-2017 school year.
