ENTERING CLINTON COUNTY RESA EDUCATIONAL BUILDING/Playgroup:

MASK to be worn by parent and child (2 years and older).

Temperature check to be taken of parent and child upon arrival.

Fill out a health certification document upon arrival for child and adult.

Washing/Sanitizing hands of parent and child.

When to stay home due to illness:

We ask you not to bring children to playgroup if any family/household members have experienced any of the following symptoms ***within the previous 24 hours:***

- **Fever or chills**
- **Cough**
- **Shortness of breath or difficulty breathing**
- **Fatigue**
- **Muscle or body aches**
- **Headache**
- **New loss of taste or smell**
- **Sore throat**
- **Congestion or runny nose**
- **Nausea or vomiting**
- **Diarrhea**
- **Additionally: Please stay home if anyone in the household has had *close contact (within 6 feet of an infected person for at least 15 minutes) with a person with confirmed COVID-19 within the last 14 days***

People with COVID-19 have had a wide range of reported symptoms – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to SARS-CoV-2. Symptoms can include any of those listed above.

It is extremely important to stay home when sick until at least 24 hours after no longer having a fever (temperature of 100.4 or higher) or signs of a fever (chills, feeling very warm, flushed appearance, or sweating) without the use of fever-reducing medicine (e.g., Tylenol).

INCLEMENT WEATHER:

Your safety is important to us. If the school (Clinton County RESA Educational Center) where the playgroup is held is **closed due to inclement weather**, Playgroup will be cancelled. Check the CCRESA website or your local news channels for closure.

Great Start Playgroups are FREE, fun, interactive activities for families to enjoy with their children ages birth to 5. Trained Parent Educators provide: Story time, music and movement, theme based activities, and resources for parents and families.
