

## Course Profile

### Digital Media Arts: Internship

**Course Location:** Ovid-Elsie High School

#### Prerequisites:

- 1) Students must have local approval based on high school graduation requirements.
- 2) Digital Media Arts I.
- 3) Students must complete the intent to return process.
- 4) Instructor approval.

#### Description:

Students will pick either a television or radio track. The main focus of this course is deep exploration of the theory and practice of what it takes to be a successful TV or radio professional. In addition to working everyday at a radio or television station, students will be expected to complete at least one major original work and enter it for competition. Students will also help teach other students. After successful completion of this course, students will have extensive real-world experience in TV or radio. Students will have developed practical skills that will make them employable in their chosen area of concentration. They will also be exceptionally prepared for further study at the college level.

In general, students will:

1. Perform day-to-day job duties as a TV or radio staff member
2. Complete one or more long-form special project(s)
3. Be expected to take responsibility for learning advanced software and hardware components
4. Be expected to act as mentors and help instruct Digital Media Arts Year 1 students
5. Complete other academic and extracurricular duties as assigned.

Specifically, each student will:

1. Receive a personalized course of study
2. Be assigned to a TV or radio job position
3. Have written performance evaluations every month
4. Take midterm and final exams each semester to assess level of mastery of academics pertaining to their chosen field
5. Be guided through the process of producing a major work for TV or radio
